Hush, my lit-tle ba-by owk! Can't you go to  
 sleep, shut your eyes so <sup>round</sup> and <sup>wide</sup> round, Don't you ev-en sleep.  
 Night-time is the time to sleep, Ba-by owks shoudl know. lit-tle roo-ins  
 closed their eyes, Oh so long a-go all good bird-ies sleep but you, Lo.

wait to whoot! So - wait, to whoo whoo.

whoa out you,

whoa

Hush, my little baby Owl.  
 Shut your eyes so tight.  
 Stop your winking at the moon,  
 That is not polite.  
 All the stars are watching you,  
 All the woods are still!  
 Every birdie is asleep,  
 E'en the whip-poor-will.  
 All good birdies sleep but you,  
 Etc.
