Lyrics of the Lariat

By N. K. Griggs
of Lincoln, Neb.

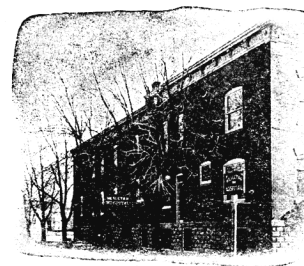

A collection of poems, especially appealing to
those who loved the Nebraska of early days.

Poems running the whole gamut of themes
from humorous to most pathetic poems of his-
toric incidents, as the blizzard, the cowboy, the
miner and the hobo, a succinct picture of
Western life now rapidly disappearing.

An eminent judge recently said: "The Lyrics
of the Lariat will, in future, be deemed a historical work." It is a
book western people should have on their own shelves, as well as to
find pleasure in sending to their friends in the east.

It may be had at the
